Notification of Practitioner Rights

Evry Health offers practitioners the right to:

1) Review information submitted to support the credentialing/recredentialing application;
2) Correct erroneous information.
3) The right to appeal credentialing determinations with which they disagree.

Information will include, but is not limited to:
1) Actions on License
2) Malpractice Claims History
3) Board Certification Decisions
4) Status of Hospital Privileges

The Evry Health is not required to reveal the source of information if the information is not obtained to meet credentialing verification requirements, if disclosure is prohibited by law or other information that is peer review protected (i.e. references and recommendations.)

Practitioners may, upon request, be informed of the status of their credentialing or recredentialing application. To be informed of the status of an application, please contact the Evry Health at 855-579-3879 or in writing at:
